Hi Jennifer,

Just to close the loop on all the moving parts -- at this point, we will wait for you to share this version with Clint and Bill so we can move ahead with the posting for public comment. We are starting to get awfully close to the CASAC meeting December 11-12 (and the 60-day public comment period).

Thanks,  
Tina

**Importance:** High

Hi Jennifer,

As you requested following your conversation with Clint Woods, John Vandenberg and his team revised the draft PM ISA Executive Summary and Synthesis segments.

**Deliberative Process / Ex. 5**

**Deliberative Process / Ex. 5**

The changes are highlighted in yellow to make them easier to find.

**Deliberative Process / Ex. 5**

We look forward to receiving your feedback in the meantime.

On a related note, the IOAA has the FR Notice and approval memo, which still lists Richard's signature. If you have an updated process/memo or would like us to resend, please let us know.

Thank you,

Tina

Importance: High

Tina,

Attached please find a revision to the draft PM ISA developed in response to the email below, from Jennifer. This has been quite challenging to develop but I'm pleased with the final edits. The changes are highlighted (in yellow) to draw your attention to the additions; using Word if you search for 'next comment' it will take you directly to the revisions.

## Deliberative Process / Ex. 5

We will proceed to document production and look forward to any feedback you or others may provide. Our goal has been to complete this draft in FY18;

**Deliberative Process / Ex. 5**

My thanks to Jason Sacks, Barbara Buckley, Jen Richmond-Bryant, Tara Greaver, Steve Dutton and you and Mary for your input.

Please let me know if you have any questions.

John
